Quarterly Field Report

Sales improved in **two of three regions**, while costs stayed *broadly flat*. The South region needs ***urgent review*** before the board meeting.

Region	Q1	Q2	Change
North	1,204	1,388	+15.3%
South	980	912	-6.9%
West	2,115	2,240	+5.9%

Note: figures are *unaudited* and shown in thousands.

Appendix A — Method

Data was collected from **store systems** on the last business day of each quarter.
